

Independent Living Skills (ILS) program update September 2019

A timetable for term 4 activities in 2019 is now available and covers activities that are delivered across all sites. You will be able to select the activities you are interested in, and what site you would like to attend. The following activities have an activity fee for each session, to cover materials, transport and entry fees:

- Community Access \$5.00
- Cooking \$3.00
- Introduction to Arts \$2.00
- Swimming at Pennyweight \$3.00
- Barista at Bonshaw \$2.00
- Woodwork \$3.00
- Funky Arts \$5.00

The timetable for Golden Point has now been combined into 1 timetable. The new format gives our customers the opportunity to choose between 3 activities in the morning and 3 activities in the afternoon, as well as electives to choose from. The electives that are undertaken at Pennyweight (Swimming/Woodwork) are restricted to a limited number of customers per week. If we have a high demand, we may need to look scheduling electives, if this occurs we will make contact with what the schedule will look like.

Please clearly mark your first preference for each period you are attending. We will do our best to meet your first preference and will let you know if we need to change it. Our site coordinators and support team can be contacted on 5329 1371.

Invoices will be sent out for activity fees, if this causes difficulty, please contact me to discuss options. If you have outstanding invoices, we will be unable to offer activities that have an activity fee, unless we have agreed arrangements in place.

In the meantime, please feel free to come and see or call me on 5329 1328 or 0407 156 941.

Looking forward to seeing you all in term 4, 2019.

Sincerely,

Gary Humphrey
